I do not have a Personal Reference Code

If you do not have a personal reference code, you may answer a series of questions to find out if you are eligible to apply for a visa and/or permit, apply for Express Entry, and begin an online application.

If you begin your application **after you have logged into your account**, you will not receive a personal reference code, as the system will save your document checklist right into your account.

Determine your eligibility and apply online:

Visitor visa, study and/or work permit

Express Entry (EE)

International Experience Canada (IEC)
